Cory:

If you (or you and a friend) would like to /are available to attend the Historical Society Christmas Dinner on Tuesday, December 12 at Pettinato's Restaurant in Carbondale, please be my guests.

Evening begins at 5:30; dinner at 6 PM; main course options: Veal Piccata, Chicken Marsala, Eggplant Parmesan, and Lasagna.

The annual Christmas Concert by the Crystal Band is also a nice event (see attached file). This will be the 38th year in a row that we have sponsored this concert (which will take place this year in the Trinity Episcopal Church--which is on River Street, over by the train station).

All is well here. I'm giving it my best NOT to be overwhelmed by end-of-the-year obligations / commitments.

Best,

Robert
